Sutton model features a dramatic two story entry with a formal dining room on one side and an open living room on the other. A rear study, which can be transformed into a bedroom suite with full bath attached, is adjacent to a spacious two-story family room with a grand fireplace and lots of windows. The staircase leading to the second floor has dual access points. A large kitchen with center island and breakfast area with optional desk/computer station is completely functional. The second floor boasts three bathrooms including one in the "princess suite", a "Jack and Jill" set-up and the luxurious master bath as well as a generous master suite separated from the other bedrooms. The view of the family room from the upstairs foyer screams luxury.
